Neighbors by Ring - LE Portal Review

This is an open meeting to discuss the Ring Neighbors Portal, LE's access to the Ring platform (comprised of devices and a neighborhood watch style social media app).

Discussion topics include items (general, technical and/or legal) related to the Ring platform, Neighbors Portal and LE Program.

Feel free to invite anyone to the meeting who might benefit from a better understanding of the service.

Neighbors Portal is free to law enforcement and the vendor agnostic Neighbors app is free to the community.

I look forward to a productive conversation.

Warning: This email originated from outside the City of Chula Vista. **Do not click on links or open attachments**, unless you recognize the sender and are expecting the message.

Sergeant Giaime, Friday works for a web call. In addition to just a general sync, I'll plan to show you a live version of portal for Chula Vista. It is so much more effective than static slides, leaving nothing to the imagination. You'll see it as it is, and be able to really get a feel for how effective it can be.

If a webex versus a meeting is ok, I'll set it up for 10:00am and send a bridge.

Looking forward to catching up.

Sgt. Giaime, I wanted to reach out, check in and see if the timing is right to re-engage. As you mentioned in your previous email, we're working with a couple of San Diego County agencies and are still in discussions with both SDPD and SDCSD.

Let me know if there is anything I can do, or any thing you need from me.

Hope all is well in Chula Vista.

Thanks, Ray

Good morning Ray,

We met some time ago in 2017 and wanted to circle back and discuss the possibility in adding Ring to the CVPD Neighborhood Watch Program. What I am looking for is to be reacquainted with the program and hear from you about how you have created partnerships with local LE agencies in SD County. Maybe we can meet some time to discuss the program, but in the meantime can you send me some information I can review and present through my chain of command. I recently spoke to a friend of mine who works of Oceanside PD and they are very happy with what Ring has added to their crime fighting ability.

A long term goal for CVPD is to have a real time crime center which will be doing a myriad of things. One of those things would be leveraging civilian surveillance cameras in the city to aid us in solving crime and learning about crime patterns. We are currently building on our crime analyst program and have added three crime analysts to the agency. As the crime analysis unit's capacity increases, I would like to integrate a program like this to help us build a partnership with the community through technology.

I know we are rolling head first in the holiday season, but please let me know a time you might have available in December and January to meet.

Ray,

This is a response to your voicemail. We can look to meet up after Jan. 7th. It will give us some time to put the holiday behind us and finish with our catch up stuff. I was thinking anything after Jan 10th. I am coming back from vacation on Jan 8th.

I appreciate you willing to share some stuff from other departments because it will help as I run the things through my chain of command. Looking forward to seeing you in the new year.

Have a wonderful holiday and happy new year.

To whom it may concern:

On December 1, 2018, San Diego County law enforcement agencies will once again participate in the "Shop With A Cop" program. This year, 2018, marks the 25th year where members of law enforcement agencies throughout San Diego County have taken part in this event. The program enables at least 330 under served youth to shop for gifts, clothing, or educational items using a \$150.00 Target gift card. Prior to shopping with an officer, each child is treated to breakfast at Sea World and then is a guest at a Sea World show. The children and their officers participate in a law enforcement procession from Sea World to a Target Store. The children share a positive experience with law enforcement and it affords the participating officers an opportunity to give back to the community.

More than 800 volunteers contribute to the success of the "Shop With A Cop" program each year. Monetary contributions or donated items for a raffle help to ensure that this beneficial effort continues. Donations of \$1,000 or more will be recognized during the event and on the SWAC website.

Please feel free to contact Sergeant Rachel Del Toro Chula Vista Police Department at 619-549-8335. The members of the "Shop With A Cop" committee are working diligently to make this year's event a memorable one for these kids. We appreciate your support and contributions.

Best Regards,

Sergeant Rachel Del Toro
Chula Vista Police Department

Subject: Ring's Partnership With Tampa Police Leads to Arrest

Hi Officer Gaines,

Thanks to information gathered from the Neighbors App by Ring and the Neighbors Portal, The Tampa Police Department has arrested a suspect involved in a local grand theft case. Click [here](#) to watch the full story on WTFS or scroll down for a quick recap.

Tampa Police Credit App for Helping Catch Serial Porch Pirate

After a package was stolen from his porch, Chris, a doctor from Tampa, shared a video of the incident on the Neighbors app by Ring. This helped police realize that the suspect was involved in multiple cases throughout the community.

"Many of them had the same exact story to tell," said Tampa Police spokesman Steve Hegarty. "We realized, you know what, that's the guy in those other videos."

According to the Tampa Police Department, the video helped identify the suspect as Santiago Rodriguez of Tampa, who was later arrested on charges of grand theft.

"This is a classic example of law enforcement working closely with the public to make the city safer," said Tampa Police Department Chief Brian Dugan. "The Neighbors App makes it easier for residents to look out for one another in their own communities and for law enforcement to quickly identify and apprehend criminals."

With the help of the Neighbors App and their community, Chris and police were able to make their neighborhood safer for everyone. Thanks to real-time crime alerts and diligent teamwork among the community and police, Chris's neighborhood has one less criminal on the street.

Subject: Ring NNO Update

Hi Angela,

As we reach the three-week checkpoint for National Night Out we have three key updates to share with you.

1) National Night Out kits for August 7th events will arrive the first week of August. We will send out another email at the start of next week explaining exactly what you'll be receiving and provide tracking numbers for your packages.

- October 2nd events will receive more updates as we approach your event date.

2) We've been working hard to pair our Ring representatives with NNO events in close proximity. This year, we were unable to find a Ring representative near your event. However, we really appreciate your interest and are working hard to expand our representation for NNO 2019 so please stay tuned! In the meantime, you can expect to receive all the materials you'll need to educate your community about Ring products and the value they bring to your neighborhood.

3) Just to remind you the contest to win a FREE Ring Video Doorbell 2 is still open. For a chance to win, simply fill out the submission form on this Ring+NNO page ring.com/win/agchulavi. The contest is open to anyone, so share this email or link to your friends, neighbors and National Night Out guests to give them a chance to win. The contest runs until July 24, so enter before it's too late! NO PURCHASE NECESSARY. U.S. residents only. 18+. See [Official Rules](#).

Thanks,
The Ring Team

Subject: Invite Your NNO Guests to Win a Free Security Kit!
Attachments: Landing Page Contest Coordinator Announcement Post.pdf; ring_nno_contest 2B.jpg

Hi Angela,

We're giving away a FREE Ring Security Kit to 20 lucky winners!

The contest is open to anyone, so forward this email to your friends, neighbors and National Night Out guests to give them a chance to win. We've also attached a social media post with step by step instructions to help you get the word out to all your followers. Spread the word and help us reduce crime in your neighborhood!

For a chance to win, simply fill out the submission form on this Ring+NNO page ring.com/win/agchulavi. The contest runs from July 12 to July 24, so enter before it's too late! NO PURCHASE NECESSARY. U.S. residents only. 18+. See [Official Rules](#).

And be sure to visit Ring.com/nno2018 to see how Ring and National Night Out are working together to reduce local crime and to learn how you can get more involved.

Please be advised Ring material kits will arrive by August 1st for National Night Outs scheduled for August 7th.

Thanks,
The Ring Team

Landing Page Contest Coordinator Announcement Post

Subject: Ring Meeting Follow Up and MOU

Ms. Gaines, Thank you again for arranging our meeting and for gathering your colleagues to learn about Rings newest tool to reduce crime. It was a pleasure to meet you and we look forward to working with Chula Vista Police Department (CVPD).

As discussed, Ring will soon be launching the Ring Law Enforcement Portal (LE Portal), the access point to the Ring Neighborhoods platform. Key highlights of the LE Portal include:

1. One-click video requests from Ring Neighbors based on date, time and proximity to incident location.
2. Ability to view and comment on all uploaded (vetted) video and comments from Neighbors within your jurisdiction.
3. Ability to push crime and safety alerts / notifications to Ring Neighbors.

The LE Portal is a sophisticated cloud-based system provided free of charge to law enforcement. The formal onboarding process includes technical, administrative and practical instructions on how to best maximize its effectiveness as an investigative and notification tool. To insure proper use of the LE Platform, we require the following stakeholders to be present during the onboarding process:

Technical Contact: A master agency credential will be provided to the department. The CVPD technical administrator (Admin) will be responsible for providing and managing log-in credentials to individual users within the department.

Social Media Contact: Ring Neighborhoods is a social sharing site. While our motto of "low frequency, highly relevant content" is accurate, the effectiveness of this engagement will only be as powerful as our combined efforts make it. Ring Neighbors post video content based on suspicious and/or criminal activity inviting Neighbor response. CVPD use of the LE Portal to comment on Neighbor posts and to inform your community of crime alerts/activity is an essential element of our program.

Public Information Contact: Prior to activating LE Portal for your agency, Ring will notify our Neighbors that we are working with CVPD. We will work with CVPD to create a mutually acceptable message that is concise, accurate and reflective of the goals of the program. CVPD input and approval on that message is required.

Detective / Investigative Contact: Those charged with use of portal will be trained on how to engage in the Neighborhood conversation, how to post crime alerts and how to request video when investigation criminal activity.

Legal Contact: Discussion on video technology, evidence preservation, chain of custody, etc., as well as appropriate (approved) language for messaging Ring Neighbors of this engagement.

I have attached an MOU for your consideration. Please review and let me know of any questions or suggested changes. Once signed and returned, we can look to schedule an Chula Vista PD onboarding.

Thank you again for you time and consideration. I look forward to seeing you again soon and to working with CVPD to reduce crime in Chula Vista.

Regards, Ray

Subject: Ring Kit for National Night Out

Hi Angela,

I hope you and the Chula Vista Police Department are having a great week!

This year for NNO we will be sending out a poster board and trifold brochures that you can put on a table. They'll have Ring information as well as general public safety information so that attendees can learn the best ways to actively use both to stay informed and safe.

If you are interested in a Ring device to raffle off at your National Night Out, download the Ring [Neighbors](#) app for free and join the neighborhood watch that brings your community together to help create safer neighborhoods. With real-time crime and safety alerts from your neighbors, law enforcement, and the Ring team. Ring is having a Give 10, Get 10 offer for National Night Out. Download the Neighbors app and help build safer neighborhood by inviting your friends to join the neighborhood watch. When they join Neighbors with the link you send them in the app, you will both receive \$10 in Ring credits.

Please contact me if you have any questions.

Thanks,

Barry Parker, Neighborhoods Marketing Rep

Ring Neighbors post video content based on suspicious and/or criminal activity inviting Neighbor response. CVPD use of the LE Portal to comment on Neighbor posts and to inform your community of crime alerts/activity is an essential element of our program.

Public Information Contact: Prior to activating LE Portal for your agency, Ring will notify our Neighbors that we are working with CVPD. We will work with CVPD to create a mutually acceptable message that is concise, accurate and reflective of the goals of the program. CVPD input and approval on that message is required.

Detective / Investigative Contact: Those charged with use of portal will be trained on how to engage in the Neighborhood conversation, how to post crime alerts and how to request video when investigation criminal activity.

Legal Contact: Discussion on video technology, evidence preservation, chain of custody, etc., as well as appropriate (approved) language for messaging Ring Neighbors of this engagement.

I have attached an MOU for your consideration. Please review and let me know of any questions or suggested changes. Once signed and returned, we can look to schedule an Chula Vista PD onboarding.

Thank you again for you time and consideration. I look forward to seeing you again soon and to working with CVPD to reduce crime in Chula Vista.

Regards, Ray
